⇒ Make sure you are studying your multiplication flashcards.

Social Studies/Science:

Have your child go to Discoveryeducation.com and look for their assignments. I would like to continue with our science pilot for this year with Discovery Education.

* * * * *

DONATIONS: SNACKS

March 23rd -March 27th -Spring Break-ENJOY!

A Note from Me:

⇒ **Book Report!!** Please work on your “Slice of Pizza” book report due April 16th

→ **Glendoran Magazine articles-** Please email me your child’s article by March 27th

It is really important that your child start practicing his/her keyboarding skills. The state test your child will take in the spring is completely done on the computer in the computer lab. Your child has already been working on **Typing.com** and is very familiar with the program.

⇒ **State Testing will begin the week of April 21st. Look for a separate letter in your child’s Tuesday folder in upcoming weeks.**

Have a happy and restful spring break. Can’t believe we only have 10 weeks left of school when we return.. It’s going way too fast!

“The greatest mistake a man can make is to be afraid of making one.” -Elbert Hubbard
